EXPERIENCE

Internship
Cybercafe tech support
Started my IT journey by working in a cybercafe from April 2020 to August 2021. Some of the duties I did were:
- Installation of new software applications.
- Basic cybercafe duties like printing, scanning, photocopying, passports, kra application and filing, E-Citizen applications and updates.
- Debugging hardware and software issues that arose from the computers.

Daima dairy plant IT Support
Worked as an IT support in Devyani Food and Industries - Kenya Limited (DFIKL-Daima):
- Installation of new system software applications and other hardware things like CCTVs.
- Basic support duties like Internet installations, Hardware and Software problem fixing.
- Database management.

Doodle Solutions
Worked as a Junior Data Analyst in Doodle Solutions where I gained these skills:
- Data Analysis
- SQL
- Data Visualization
- Reporting

Training and workshops:
1. Sololearn(Level 8).
   - Web Development Fundamentals
   - Introduction to Python
   - Introduction to SQL and SQL Intermediate
2. Cisco Networking Academy.
   - Computer Hardware Basics
   - Networking Basics
   - Network Support and Security
3. Multimedia University
   - Fundamentals of C, C++, Java, VB Net, MySQL.
4. PowerLearnProject Organization- Software Development.
